Principal

President of Student Council

"When he gave, it was without assumption; when he received, it was with dignity and honour." — PLUTARCH

Hollywood has its Oscars; television, its Emmys. It is only proper that Lakeland High School should have its symbol of recognition, hence, its' Award Certificates.

So a program of recognition was established three years ago to give public acclaim to deserving individuals and groups. Sponsored by the Student Council, it is held each year just prior to graduation.
